

# Free Event for Hologram Exposure

- 23th [Thu.] – 24th [Fri.] Nov., 2017
- 10 am - 4 pm for each date
- Conference room 403  
in Plaza Verde, Numazu
- Free for participation of  
this event
- \*Charge is required for an  
international workshop

An international workshop of holography will be held at Numazu, Japan.

We will hold an event of exposure experience of hologram in this conference so as to spread around its fascination, targeting at general visitors in addition to conference participants.

Recorded hologram could be brought with you after the exposure event. We look forward to your participation.
